

Hare Ka Sahara, Baba Shyam Humara...

VinROSE[®]
WE DECORATE YOUR DREAMS...

Cabinet Handles | Main Door Handles
Mortice Handles | Knobs | Dooks | Door Fittings etc.

design!

is an art of turning the invisible into visible,
it creates the destiny of the creation.

and when the design is blessed with
enigmatic simplicity.
it takes the ultimate form of sophistication.

at vinrose, design matters,
because for us, your choice matters.

VinROSE

About us

Vinrose design is a dynamic and energetic company in the field of architectural hardware fittings, lead by a committed management it is established with a vision of setting new standards of designing quality and service for the customers in the market. Creativity in design is an on-going process at vinrose designs.

We have an in house team of creativity product designers who are continuously working towards developing innovative designs that will set new trends in the market.

The manufacturing plant is well equipped with the latest technology machines and a technically qualified team to meet the increasing needs of the customers.

technically qualified team to meet the increasing needs of the customers.

The journey has just begun with a wide cabinet handles, knobs, center support, chest handles etc. and shall be followed by many other innovative products in the near future.

Willingness to provide designs and quality that surpasses customer's expectations is what sets us apart from the competition.

Market Strategy

Sustainability

Quality

Quality forms an integral part in every process and every stage in the organization. The commitment to supply defect free products to the end customer is given utmost priority. Strict quality control procedures are laid in the processes so that our customers are ensured that their requirements are met accurately and consistently. The quality control department is equipped with all the necessary testing equipments, used by a technically qualified team. At Vinrose designs quality is not an exception but a prevailing attitude.

Performance Standards

- | | |
|---|---------|
| • Solvent Resistance
Double Rubs (Acetone Tests) | 1000+ |
| • Corrosion Resistance Hours
(Natural Salt Spray Test as per ASTM B 117) | 300Hrs+ |
| • Sweat Resistance Hours
(AHS/BHMA Test USA Specification) | Pass4 |

To get the best results clean the handles with wet and soft cloth only, avoid cleaning with thinner or any other kind of chemical.
